

COOKE AQUACULTURE INC.

SCHOLARSHIP

The Cooke Aquaculture Inc. scholarship award was created to support graduates in our communities who are continuing their education at a university or community college.

ELIGIBILITY

We are awarding up to two scholarships, valued at up to \$1,000 each to either an employee of Cooke Aquaculture or a child/grandchild of a Cooke Aquaculture employee.

The recipient must be enrolled as a full-time student at a recognized university or community college, with preference given to Science and Health programs. The recipient must have proof of acceptance from a post-secondary institution.

The recipient of the Cooke Aquaculture scholarship is a student who demonstrates strong academics and leadership and who is involved in volunteer, community, sports or work activities.
